

If you've enjoyed working with us, can we ask a small favour?

Over the past 30 years lots of our customers have referred us to their friends and business associates. (It's how we've grown our business.)

If you know anyone who could benefit from our excellent insurance (and questionable puns), please pass on one of our enclosed cards.

When they become a customer we'll send you an extra special gift worth up to £50.

Thank you.
